YOUR LIBRARY CARD

Waterford Public Library shares an online catalog with the three Groton Libraries: Bill Memorial, Groton Public, and Mystic & Noank. You can easily place holds on items in any of the four libraries, though each library does have its own policies in regards to categories of materials that they will send here vs. those which you need to pick up at their location.

Your library card can also be used in any library throughout the state. Our Information Desk staff can assist you with interlibrary loans (ILL) to have items sent here from libraries other than our Groton partners. You also have the option to search the CT State Library's findIT CT catalog (on our website under digital resources) to identify items on your own. However, at this time, all ILL requests must be placed with staff assistance.

RENEWING MATERIALS

Library materials that are eligible for renewal, will be automatically renewed by the library's automated integrated library software. An email notice will be provided 3 days in advance of your due dates to advise if items will be renewed on your behalf.
