Guest Author Katie Tietjen*

We are excited to welcome Katie Tietjen to our library! Inspired by the real-life mother of forensic science, Frances Glessner Lee, and featuring a whip-smart, intrepid sleuth in post-WWII Vermont, this debut historical mystery will appeal to fans of Victoria Thompson and Rhys Bowen. Drawing inspiration from true crime and offering readers a smartly plotted puzzle of a mystery, *Death in the Details* is a stunning series debut.

Bank Square Books of Mystic will be available at this event to assist with purchasing Katie's book.

Registration is required.
