

MOORING/ PULLEY POLE INSPECTIONS

Moorings shall be inspected by a qualified, approved inspector at least once every three years. Pulley Poles must be inspected every year. A copy of the inspection MUST be sent with your mooring application in order to be approved.

Several local, approved inspectors are listed below for your convenience. If you wish to use a qualified inspector not on the list below, please have contact the Waterford Harbor Master, David Crocker at (860) 442-5994 or via email at crockerd64@gmail.com
