I am NOT in favor of any cuts to the Board of Education BUDget. The Education climate is too uncertain at this time and we do not know what financial challenges are ahead for our School System and Town. I should think that this would be a time we strive to meet ALL challenges should we as a Town be responsible for in the future. Education and stability of our need to be top priority. Students, Faculty and Administration have taken on tasks beyond challenges that we ever imagined during this Pandemic.

MAKE NO CUTS TO THE BUDGET. WE NEED TO LOOK AT THE EDUCATION CLIMATE BEFORE US GIVING ALL OUR STUDENTS A QUALITY EDUCATION AS WELL AS TEACHERS THE TOOLS TO IMPLEMENT THAT EDUCATION.

THANK YOU
