RE: Site Plan Application
East Lyme Tree Services
1122 & 1124 Hartford Turnpike

An application has been submitted for East Lyme Tree Services for 1122 & 1124 Hartford Turnpike, for work within the upland review area of the site. At this time we are requesting that the project be continued to the February 22nd regular meeting. A time extension for 30 days is being provided by the owner, in order to allow adequate time for addressing all review comments and concerns.

If you have any questions please do not hesitate to contact me.

Very truly yours,
