Subject: Conservation Commission membership  
To: <[rbrule@waterfordct.org](mailto:rbrule@waterfordct.org)>

I write to express my interest in once again serving on Waterford's Conservation Commission.

My previous tenure was in the early 2000's, although the exact dates escape me at present. Although not born and raised in Waterford, my wife and I have lived here for over 25 years. Our two daughters attended Waterford schools and successfully launched professional lives of their own. I recently retired and feel I have the time and energy to devote to the tasks required of the Conservation Commission.

I'm happy to provide any additional qualifications and information you may require.

Thanks for your consideration,

Keith
