BUDGET FUNCTION

The Assessment Division is responsible for the discovery, listing and equitable valuation of all real and personal property within the Town of Waterford in accordance with Connecticut State Statutes at 70% of fair market value for the annual compilation of the Grand List. Additionally, the Assessor and staff administer state and local programs of tax relief, apply exemptions as permitted by state law, assist the public with a variety of inquiries and provide data to various entities including the State Office of Policy and Management.

The Assessor's office also maintains an up-to-date inventory of all property, including land and improvements thereon, changes in ownership, new construction, alteration, parcel and map changes resulting from sub-division, assemblage, boundary agreements and surveys filed as of the assessment date.

In compiling the annual Grand List the Assessor's office regularly reviews and inspects ongoing improvements made to real property, audits and processes approximately 1300 business personal property filings annually, and lists and values all vehicles located within the Town of Waterford as of the October 1st assessment date.

The Assessor's office also provides technical and clerical assistance to the Board of Assessment Appeals throughout the year by creating the board's hearing schedules, generating appointment letters and notices and recording required agendas and minutes.

Throughout the year the Assessor engages in ongoing appraisal review and analysis; prepares written and oral testimony and works in collaboration with the Town's legal department to resolve any outstanding tax appeals filed with Superior Court under CGS §12-117a and 12-119.

In accordance with Connecticut statutes, The Assessor's office must also oversee the periodic revaluation of all real property within the Town of Waterford. Effective with the 2023 Grand List, Section 7 of Public Act 22-74, five revaluation zones have been established and a new five-year revaluation schedule has been instituted statewide. This legislation redistributes the number of revaluations to be performed annually, and results in an accelerated schedule for the Town of Waterford. Mandatory revaluations are now scheduled for Grand List years 2026, 2029 and 2034.

Budget Explanations By Category

Personnel Costs: Office staff consists of three full time positions; a Certified Municipal Assessor, an Assistant Assessor and an Assessor's Aide III. A part-time Assessor's Aide II position at 19 hours/week, originally created to provide clerical support, enter building permits and perform occasional new construction inspections is redundant and has been eliminated. The building permit data entry process has now been automated through a bridge process and all necessary site inspections are performed by the Assistant Assessor and Assessor as part of their duties. Salaries, fringe benefits & longevity are based on rates established by union contracts.

Budget Request: **\$272,183**

- **10104-52010 – Advertising** Request: **\$300** **(25.00%) decrease**

Includes annual publication of a combined legal advertisement notifying taxpayers of state mandated exemption filing deadlines and announcing Personal Property filing requirements as mandated by state statute. The required notice is published in *The Day* newspaper and posted on the Town's website. The combined legal ad published in the fall is advertised jointly with three neighboring municipalities resulting in a cost-sharing discount. An additional notice announcing the filing requirements for the state Elderly Homeowners/Totally Disabled tax relief program is posted in February on the town's website, in the senior center and on the Waterford Community Access TV channel.

The annual cost for this service is \$250.

The Assessor's Office uses administrative software provided by Quality Data Service Inc. (QDS) to apply all exemptions, state and local benefits, produce required state reports and to bridge all billable accounts to the Tax Collector. While software maintenance costs related to QDS are included in the IT budget, there are additional costs attributable to QDS for necessary and required services provided to the Assessor's office. These services include the production and binding of the town's permanent annual Grand List books and the annual generation and mailing of online personal property filing notices with unique pin # assignment.

The Assessor's Office also leases a Xerox copy machine from Connecticut Business Systems (CBS) at a fixed cost of \$158/month. Overages in the number of copies beyond the contracted amount are billed separately.

The Assessor's office has experienced significant staff turnover in the past two years. All aspects of assessment administration require formal assessment specific education and training. Continuing Education, (50 credit hours over 5 years) is required statutorily to meet recertification standards for all Certified Connecticut Municipal Assessors. The Assistant Assessor has completed 3 of the required 5 courses to attain a level I CCMA certification. New staff will require course attendance for training in assessment administration/statutes through educational programs provided by the Connecticut Association of Assessing Officers (CAAO). Courses and workshops are offered in June at the UCONN Assessor School and throughout the year as determined annually by the CAAO's Education Committee. Additional continuing education credits for the Assessor and Assistant Assessor are offered for assessment and statute related topics throughout the year. The 2024 Wichita Property Tax Conference is held each year in July and offers educational sessions on complex special use and public utility property valuation.

Dues are annually recurring for the CAAO, IAAO, NRAAO and GNLA, all of which require membership as a source of assessment industry tools/information and for educational offerings at a reduced cost. CAAO membership is required to maintain CT CCMA certification.

Last year's base price for Waterford's NADA books was **\$1,811** and included the fee for DMV to pre-price a majority of motor vehicles utilizing the JD Power software and 2 additional pricing books.

An increase in the JD Power per vehicle base price for Waterford (DMV pricing) to \$0.102 per vehicle at 20,504 vehicles is anticipated. The estimated base price for the 2024 Grand List is **\$2,160**. This price includes an additional fee of \$60 per town, which covers the Truck & Trailer VIN program, the NICB guide, CAAO Motor Vehicle committee expenses and one set of books provided to OPM. A set of pricing books for use in the office is estimated at an additional **\$210**.

The cost for JD Powers Online Pricing Program has increased substantially and now includes a base charge of \$250, a \$300 per user charge and a cap on the number of price searches conducted annually with applicable overage charges. Legal Notice

**Towns of EAST LYME, LYME, OLD LYME AND WATERFORD, CT
Filing of Tax Lists for 10/1/2023 Grand List**

The Towns of EAST LYME, LYME, OLD LYME AND WATERFORD, having separately complied with Section (B), (D), and (H) of Section 12-41 of the Connecticut General Statutes, notes that it is not necessary for persons liable for taxes on Real Estate or Automobiles actively registered with the Connecticut Department of Motor Vehicles, to file tax lists with the Assessor annually as covered under Connecticut General Statute Section 12-42.

Personal Property: All owners of tangible personal property except registered Motor Vehicles are required by Connecticut General Statutes to file with the Assessor, annually during the month of October, a listing of such business property. This property includes but is not limited to the following: Machinery, Equipment, Furniture and Fixtures etc. used in a business.

Failure to file: Section 12-42 of the Connecticut General Statutes requires the Assessor to file a listing for those who fail to file or file late and add a 25% penalty to the listing.

Please note the following:

Veterans: Veterans of any war period so declared in Section 12-81, Subsection 19 of the Connecticut General Statutes, having not previously filed for exemption within their Town, must provide an original or certified copy of the Honorable Discharge, or similar, to the Town Clerk prior to October 1, 2023.

Disabled Veterans: Veterans claiming disability exemptions for the first time must submit proof from the Veterans Administration to the Assessor before the BAA completes its duties stating the percentage of disability in order to receive the proper amount of exemption on the 2023 Grand List. All others need only file if their percentage of disability changed since 10/1/2022.

Disabled Veterans Aged 65 or Older: If you are receiving additional exemptions due to a veteran's disability, you may be entitled to an additional exemption equivalent to the 100% disability rating. If you qualify and are not receiving such exemption, provide proof of age to the Assessor.

Totally Disabled: Under certain circumstances, residents who are receiving permanent disability benefits under the Social Security or certain other qualifying programs, may be entitled to receive a \$1,000 property exemption upon submission of qualifying proof of such disability to the Assessor (as per section 12-81 subsection 55, CGS). Claims must be filed during the assessment period.

Blind: Proof of legal blindness, as defined in Section 12-92 of the Connecticut General Statutes, if not previously filed and allowed, must be submitted to the Assessor during the assessment period for consideration on the 10/1/2023 Grand List.

Farmers: Applications for exemption on farm machinery must be filed with the Assessor by October 31, 2023.

Farm, Forest: Owners of Real Estate qualified under various subsections of 12-107 of the Connecticut General Statutes, applying for relief under provisions of this statute, must make application to the Assessor between September 1, 2023 and October 31, 2023 for the 10/1/2023 Grand List. Contact the Assessor's office for details.

Local Option Exemption: Under EAST LYME, OLD LYME AND WATERFORD Town Ordinances, a local exemption is available to owners of certain private vehicles specially equipped for the transportation of the handicapped. Details are available from the Assessor's office.

Local Option Veteran Program: Under EAST LYME, OLD LYME AND WATERFORD Town Ordinances, an additional veteran's exemption may be available to qualifying Veterans. Details are available from the Assessor's office.

For the purpose of fulfilling the above obligations:

1. Definitions. The words "you" and "your" mean the legal entity identified in "Customer Information" above, and "XFS," "we," "us," "Owner" and "our" mean Xerox Financial Services LLC. "Party" means you or XFS, and "Parties" means both you and XFS. "Supplier" means the entity identified as "Supplier" above. "Acceptance Date" means the date you irrevocably determine Equipment has been delivered, installed and operating satisfactorily. "Agreement" means this Cost Per Image Agreement, including any attached Equipment schedule. "Commencement Date" will be a date after the Acceptance Date, as set forth in our first invoice, for facilitating an orderly transition and to provide a uniform billing cycle. "Discount Rate" means 3% per annum. "Equipment" means the items identified in "Equipment" above and in any attached Equipment schedule, plus any Software (defined in section 3 hereof), attachments, accessories, replacements, replacement parts, substitutions, additions and repairs thereto. "Excess Charges" means the applicable excess image charges. "Interim Period" means the period, if any, between the Acceptance Date and the Commencement Date. "Interim Payment" means one thirtieth of the Base Payment multiplied by the number of days in the Interim Period. "Payment" means the Base Payment specified above, which may include an amount payable to Supplier under the Maintenance Agreement to account for the Monthly Image Allowances listed above, the Excess Charges (unless otherwise agreed by you, Supplier and XFS). Taxes and other charges you, Supplier and XFS agree will be invoiced by XFS. "Maintenance Agreement" means a separate agreement between you and Supplier for maintenance and support purposes. "Origination Fee" means a one-time fee of \$125 billed on your first invoice, which you agree to pay, covering origination, documentation, processing and other initial costs. "Term" means the Interim Period, if any, together with the Initial Term plus any subsequent renewal or extension terms. "UCC" means the Uniform Commercial Code of the State(s) where XFS must file UCC-1 financing statements to perfect its interest in the Equipment.

2. Agreement, Payments and Late Payments. You agree and represent that the Equipment was selected, configured and negotiated by you based on your judgment and supplied by Supplier. At your request, XFS will acquire same from Supplier to lease to you hereunder and you agree to lease same from XFS. The Initial Term commences on the Commencement Date. You agree to pay XFS the first Payment plus any applicable Interim Payment no later than 30 days after the Commencement Date; each subsequent Payment shall be payable on the same date of each month thereafter. You agree to pay us all sums due under each invoice via check, Automated Clearing House debit, Electronic Funds Transfer or direct debit from your bank account by the due date. If any Payment is not paid in full within 5 days after its due date, you will pay a late charge of the greater of 10% of the amount due or \$25, not to exceed the maximum amount permitted by law. For each delinquent or returned Payment, you will be assessed the applicable fee, not to exceed \$55. Restrictive covenants on any method of payment will be ineffective.

3. Equipment and Software. To the extent that the Equipment includes intangible property or associated services such as software licenses, such intangible property shall be referred to as "Software." You acknowledge and agree that XFS is not the licensor of such Software, and therefore has no right, title or interest in it and you will comply throughout the Term with any license and/or other agreement ("Software License") with the supplier of the Software ("Software Supplier"). You are responsible for determining with the Supplier whether any Software Licenses are required, and entering into them with the Software Supplier(s) no later than 30 days after the Acceptance Date. YOU AGREE THE EQUIPMENT IS FOR YOUR LAWFUL BUSINESS USE IN THE UNITED STATES, WILL NOT BE USED FOR PERSONAL, HOUSEHOLD OR FAMILY PURPOSES, AND IS NOT BEING ACQUIRED FOR RESALE. You will not accept the Equipment as a future to real estate or make any permanent alterations to it.

4. Non-Cancellable Agreement. THIS AGREEMENT CANNOT BE CANCELLED OR TERMINATED BY YOU PRIOR TO THE END OF THE INITIAL TERM. YOUR OBLIGATION TO MAKE ALL PAYMENTS IS ABSOLUTE AND UNCONDITIONAL AND NOT SUBJECT TO DELAY, DEDUCTION, SET-OFF, DEFENSE, COUNTERCLAIM OR RECOURSE FOR ANY REASON WHATSOEVER, IRRESPECTIVE OF THE PERFORMANCE OF THE EQUIPMENT, SUPPLIER, ANY THIRD PARTY, OR XFS. Any pursued claim by you against XFS for alleged breach of our obligations hereunder shall be asserted solely in a separate action; provided, however, that your obligations hereunder shall continue unaffected.

5. End of Agreement Options. If you are not in default and if you provide no greater than 150 days and no less than 60 days' prior written notice to XFS, you may, at the end of the Initial Term or any renewal Term ("End Date"), either (a) purchase all, but not less than all, of the Equipment by paying its fair market value, as determined by XFS in its sole but reasonable discretion ("Determined FMV"), plus Taxes, or (b) return the Equipment within 30 days of the End Date, at your expense, fully insured, to a continental US location XFS shall specify. You cannot return Equipment more than 30 days prior to the End Date without our consent. If we consent, we may charge you, in addition to all undisputed amounts due hereunder, an early termination fee. If you have not elected one of the above options, this Agreement shall renew for successive 3-month terms. Either party may terminate the Agreement as of the end of any 3-month renewal term on 30 days' prior written notice and by taking one of the actions identified in (a) or (b) in the preceding sentence of this section. Purchase options shall be exercised with respect to each item of Equipment on the day immediately following the date of expiration of the Term of such item, and by the delivery at such time by you to XFS of payment, in form acceptable to XFS, of the amount of the applicable purchase price. Upon payment of the applicable amount, XFS shall transfer our interest in the Equipment to you on an "AS IS, WHERE IS," "WITH ALL FAULTS" basis, without representation or warranty of any kind.

6. Equipment Return. If the Equipment is returned to XFS, it shall be in the same condition as when delivered to you, except for "ordinary wear and tear" and, if not in such condition, you will be liable for all expenses XFS incurs to return the Equipment to such condition. IT IS SOLELY YOUR RESPONSIBILITY TO SECURE ANY SENSITIVE DATA AND PERMANENTLY DELETE SUCH DATA FROM THE INTERNAL MEDIA STORAGE PRIOR TO RETURNING THE EQUIPMENT TO XFS. YOU SHALL HOLD XFS HARMLESS FROM YOUR FAILURE TO SECURE AND PERMANENTLY DELETE ALL SUCH CUSTOMER DATA AS OUTLINED IN THIS SECTION.

Course 501 - Personal Property Auditing, Basic to Advanced

This course is a combination of the material contained in Workshops 552 and 553. The course includes one exam and eliminates some material that is identical in the two workshops when taught separately. This course provides a foundation for understanding basic financial records, specifically related to fixed assets. The balance sheet, depreciation schedule, and income statement will be described and discussed in much detail. Emphasis will be placed on the pertinent data relevant to the personal property appraiser. In addition, the course expands to advanced discussions of accounting and auditing theory as it relates to fixed assets. Capitalization techniques will also be discussed. A case study including sample financial records will be used to "discover" fixed assets that may otherwise be hidden from the appraiser. This course includes an exam.

Recommended prerequisites: Course 101, Course 102, Course 500

Recommended textbook: Property Assessment Valuation (PAV) (3rd edition)

When: March 18-23, 2024

Good morning,

Public printers that collect any type of revenue are not covered under the town supply line. So this would need to be covered in the line account you have provided to me 10104-53020.

Thank you. The total will be around \$133.

Subject: RE: HP Laser Jet Pro Toner Cartridge Replacement

Good morning,

I was under the impression that as an office supply that is offered to the public, this might be covered under the Town's general supply budget. If I am incorrect, we can take it out of our OTHER SUPPLIES line item- 10104-53020. This account only has \$80.65 in it currently so we would have to transfer money over to cover the expense.

Thanks,

Nicole Serra

It starts with a general overview of the field and then moves on to a more detailed discussion of the specific issues that will be addressed in the paper. This part is intended to provide the reader with a clear understanding of the context in which the research is being conducted.
