Mr. Paul Goldstein
Moderator, Representative Town Meeting
15 Rope Ferry Road
Waterford. CT 06385

Moderator Goldstein,

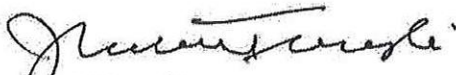

The Fire Services Review Special Committee, composed of five voting members representing the BOS, RTM, and BOF and advised by a team of five emergency service professionals, met over 4 years and collected, tabulated, and evaluated Fire Services information. This information was compiled into a Final Report.

In addition to the compiled information, the Report provides commentary and advances common sense recommendations for key areas of Fire Services, provides a framework for a strategic plan, and is a solid tool for the incoming Director of Fire Services.

At the Committee's July 9 meeting, the membership voted 3-2 to approve and release this Report to the RTM for acceptance.

Based upon this, I respectfully request that the RTM accept this Report as the product of the Committee's collective effort.

Respectfully,

Robert Tuneski

Chairman, Fire Services Special Review Committee
