RE: Notice of Expired Plan of Conservation and Development

Dear Secretary Beckham and Commissioners Eucalitto, Dykes, and O'Keefe:

In accordance with Section 8-23 of the Connecticut General Statutes (CGS), I am notifying you that the Plan of Conservation and Development (POCD) for the Town of Waterford was last adopted by its Planning and Zoning Commission on June 8, 2015, and is considered to be expired because it is more than 10 years old. As a result, the Town of Waterford is ineligible for discretionary state funding until the Planning and Zoning Commission adopts a new POCD.

The POCD has not been revised and adopted due the revision process taking longer than expected. The final draft of the plan is currently being reviewed by the Town of Waterford Planning and Zoning Commission.

Until such time that a new POCD is adopted, I understand that the Town of Waterford must attach a copy of this letter to each application for discretionary state funding that is submitted to an administering state agency. Furthermore, I understand that an administering state agency will not consider an application submitted by the Town of Waterford as eligible for discretionary state funding, unless the OPM Secretary has expressly waived such prohibition. I intend to initiate the waiver request process only if there is a
