

FY22
BUDGET REQUEST

SACCEC

January 13, 2021

Mr. Rob Brule
First Selectman
Town of Waterford
15 Rope Ferry Road
Waterford, CT 06385-2886

Dear Mr. Brule:

Attached please find our application requesting inclusion in your Town's 2021-2022 Budget. While we are aware that towns have been greatly impacted by the pandemic and the unexpected costs, we hope that you will be able to continue to support our services. Please consider that SACCEC has continued to provide essential services to children, families, and individuals in your community throughout the pandemic. We have continued in-person services at our Child Advocacy Centers and have continued to accompany children and adults to the hospitals for medical assistance and evidence collection. We too have experienced unforeseen expenses of PPEs and cleaning supplies to ensure the safety of our clients and staff.

Contributions to SACCEC enable our organization to provide 24-hour direct services to residents of your town following sexual assault or abuse. Unfortunately, rates of sexual victimization continue to rise, particularly among children. Families, children, and individuals are profoundly impacted by traumas of this nature, experiencing distress and anxiety which can interfere with performance at work and school, and negatively impact family functioning in significant ways.

In FY 2019-2020, SACCEC provided crisis response and trauma recovery services to 23 residents of the town of Montville. At an approximate cost of \$1,114 per client, this represented an expense of approximately \$25,622 to provide services to residents of the town of Waterford.

Municipal funding is a critical source of financial support for SACCEC, enabling the continued availability of crisis response and trauma recovery services at no cost to community residents. Further, municipal funding provides "matching funds" to the Federal Government grants which we receive.

Please call me at 860-456-3595 if you have any questions or would like to discuss our request, or email me at hbotti@snet.net.

We thank you for your consideration of our request, and thank you for your ongoing support which we greatly appreciate.

Very Truly Yours,

Hope A. Botti,
Executive Assistant

Georgette J. Katin,
Executive Director

SEXUAL ASSAULT CRISIS CENTER OF EASTERN CONNECTICUT, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

(1) NATURE OF OPERATIONS:

Sexual Assault Crisis Center of Eastern Connecticut, Inc., ("SACC") was formed to provide counseling and education to sexual assault victims, their families and the community in the eastern section of the State of Connecticut. SACC is funded by grants from the Department of Public Health, the Office of Victim Services and the Department of Children and Families.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Presentation

The financial statements of SACC have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require SACC to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets without donor restrictions that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objective of the organization. These net assets may be used at the discretion of the SACC's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of SACC or by passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities. Donor restricted contributions where the restriction is met within the same fiscal year are recorded as without donor restrictions.

Property and Equipment

Property and equipment with a useful life in excess of 1 year and a per item cost of \$1,000 or more are capitalized at cost and depreciated on a straight-line basis over their estimated service lives. Maintenance and repairs are charged to expense as incurred.

Revenue Recognition

Revenue from grants is recognized when earned, based on costs being incurred, in accordance with provisions of grant agreements. Contributions are recorded as income when received.

The Organization recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Revenue Recognition (continued)

A portion of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances or due to grantor, if required to be returned, in the statement of financial position. The Organization received federal cost-reimbursable grants of \$587,715 and state cost-reimbursable grants of \$243,889. A portion of the state cost-reimbursable grant has not been recognized at June 30, 2020 because qualifying expenditures have not yet been incurred, with an advance payment of \$6,804 recognized in the statement of financial position as due to grantor.

The Organization has adopted Accounting Standards Update (ASU) No. 2018-08 Not-for-Profits Entities: *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 605)* as management believes the standard improves the usefulness and understandability of the Organization's financial reporting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash equivalents consist of highly liquid investments with an original maturity of three months or less at date of purchase. SACC maintains its cash and cash equivalents in bank deposit or brokerage accounts which, at times, may exceed federally insured limits. In addition, cash equivalents may, at times, be invested in instruments not covered by federal insurance. SACC's management believes it is not exposed to any significant credit risk on cash and cash equivalents.

Investment Policy

The primary investment objective is to invest in liquid securities, defined as securities that can be transacted quickly and efficiently from the Investment Account, with minimal impact on market price. The portfolio has directed the investment manager to have a target asset mix of approximately 90% mutual funds and 10% stocks. The carrying value of investments is reported using fair value.

See Accompanying Independent Auditor's Report.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Concluded)

Fair Value Measurements

"Fair Value Measurements" defines fair value and establishes a framework for measuring fair value in generally accepted accounting principles. "Fair Value Measurements" defines fair value as the exchange price that would be received for an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market participants would use in pricing the asset or liability, not on assumptions specific to the entity. In addition, the fair value of liabilities should include consideration of non-performance risk including the Organization's own risk.

Allowance for Doubtful Accounts

SACC uses the reserve method of accounts for uncollectible accounts. As of June 30, 2020 and 2019, management believes all grants receivable are collectible, thus no reserve has been recorded.

Donated Services

Accounting for Contributions Received and Contributions Made requires recognition of donated services if they create or enhance nonfinancial assets or require specialized skills and would typically be purchased if not provided by donation. General volunteer services do not meet these criteria for recognition in the financial statements.

In 2020, SACC received donated professional services in the amount of \$69,087. These services are recorded at their estimated fair value determined on the date of contribution and are reported as contributions and volunteer services on the accompanying statement of activities and statement of functional expenses.

(3) IN-KIND SUPPORT:

In-kind contributions are recorded as revenue at their fair-market value when received. The organization received 12 licenses of Microsoft Office from TechSoup valued at \$7,776 for the year ended June 30, 2020.

(4) INCOME TAX STATUS:

The Organization is exempt from income taxes as a non-profit corporation under Internal Revenue Code Section 501(c)(3). Accordingly, the financial statements do not reflect a provision for income taxes.

The Organization regularly reviews and evaluates its tax positions taken in previously filed information returns and as reflected in its financial statements, with regard to issues affecting its tax exempt status, unrelated business income, and related matters. It believes that in the event of an examination by taxing authorities, its positions would prevail based upon the technical merits of such positions. Therefore, the Organization has concluded that no tax benefits or liabilities are required to be recognized.

(5) LEASES:

In September of 2019, the Organization signed a lease for new office space for Wendy's Place located in Danielson, CT. The lease expires on September 1, 2021 with a monthly payment of \$1,083. The Organization is on a month to month basis regarding their office space located in Willimantic and New London, CT. The Rent expense for the years ended June 30, 2020 and 2019 were \$73,562 and \$68,733 respectively.

Future minimum lease payments are as follows for the years ended June 30, 2020:

2021	\$ 12,996
2022	3,249
2023	0
2024	0
2025	0
Total	<u>\$ 16,245</u>

(6) CONCENTRATION OF REVENUES:

SACC received approximately \$860,000 and \$760,000 in funding from towns or government agencies, which is approximately 85% and 81% of its total support and revenue for the years ended June 30, 2020 and 2019, respectively.

(7) INVESTMENTS:

Investments consist of the following as of June 30:

	<u>2020</u> Market Value	<u>2019</u> Market Value
Mutual Funds	\$ 116,845	\$ 109,356
Stocks	<u>8,104</u>	<u>7,867</u>
	<u>\$ 124,949</u>	<u>\$ 117,223</u>

In addition to defining fair value, "Fair Value Measurements" expands the disclosure requirements around fair value and establishes a fair value hierarchy for valuation inputs. The hierarchy prioritizes the inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

These levels are: Level 1 – inputs are based upon unadjusted quoted prices for identical instruments traded in active markets. Level 2 – inputs are based upon prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of these assets or liabilities. Level 3 – inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the assets or liability. The fair values are therefore determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques.

See Accompanying Independent Auditor's Report.

(7) INVESTMENTS: (Concluded)

Valuation techniques based on unobservable inputs are highly subjective and require judgments regarding significant matters, such as the amount and timing of future cash flows and the selection of discount rates that may appropriately reflect market and credit risks. Changes in these judgments often have a material impact on the fair value estimates. In addition, since these estimates are as of a specific point in time, they are susceptible to material near-term changes. All investments were valued as Level 1 investments for the years ended June 30, 2020 and 2019.

(8) FUNCTIONAL EXPENSES:

Directly identifiable expenses are charged to programs and supporting services. Management and general expenses include those expenses that are not directly identifiable with any specific function, but provide for the overall support and direction of SACC. A portion of salaries and payroll taxes and benefits are management and general. Postage and the audit fee are also management and general expenditures with the remaining expenditures being program expenses.

The expenses that are allocated include the following:

Expense	Method of Allocation
Salaries and benefits	Time and effort
Occupancy	Square footage/Location
Depreciation	Square footage/Location
Insurance	Square footage
Telephone	Time and effort

(9) AVAILABILITY AND LIQUIDITY:

The following represents SACC's financial assets at June 30, 2020:

Financial assets at year-end:	<u>2020</u>
Cash and cash equivalents	\$ 107,583
Grants receivable	175,369
Accounts receivable	2,500
Investments	<u>124,950</u>
Total financial assets	410,402
Less unavailable for general expenditures within one year, due to set aside for investments	<u>(124,950)</u>
Financial assets available to meet cash needs for general expenditures within one year	\$ <u>285,452</u>

SACC's goal is generally to maintain financial assets to meet 45 days of operating expenses. SACC is dependent on state funding. If there are deficiencies in the liquidity SACC has available investments that could be used.

(10) SUBSEQUENT EVENTS:

Beginning around March 2020, the COVID-19 virus has been declared global pandemic as it continues to spread rapidly. Business continuity, including supply chains and consumer demand across a broad range of industries and countries could be severely impacted for months or beyond as governments and their citizens take significant and unprecedented measures to mitigate the consequences of the pandemic. The members of the board have been carefully monitoring and evaluating its options during this time. No adjustments have been made to these financial statements as a result of this uncertainty. However, subsequent to June 30, 2020, the investments and credit markets have experienced significant volatility. As a result, a substantial portion of the Organization's investments have experienced minor variations.

Subsequent events were evaluated through October 5, 2020, which is the date the financial statements were available to be issued.
