Re: Battery Energy Storage System Project, HQCA Energy Solutions, LLC, 40 Norwich Road, Waterford, Connecticut – Waterford Assessor's Parcel: 498600

Dear Planning Director Mullen:

Please be advised that this office represents HQCA Energy Solutions, LLC, a subsidiary of Hanwha Q Cells America Inc., who are developers of battery energy storage systems. This letter is being sent to inform you that HQCA Energy Solutions, LLC intends to develop a 4.0-megawatt ("MW") battery energy storage system to be located at 40 Norwich Road, Waterford Connecticut identified by the Town of Waterford Assessor as Parcel 498600 ("Property").

In connection with this proposed project, HQCA Energy Solutions, LLC will be filing a petition for declaratory ruling with the Connecticut Siting Council on or after March 27, 2024, seeking the Council's approval of the battery energy storage facility at the Property.

Once filed, a full digital copy of the initial Petition will be provided to the Town of Waterford and the Town of Montville. A full hard copy will be provided to the Town of Waterford and the Town of Montville if so requested. In addition, an electronic copy of the Petition will be available on the Siting Council's website at www.ct.gov/csc. Should you have any further questions or concerns regarding this matter, please contact me at 860-447-0335 or the Connecticut Siting Council.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mark J. Cook".

Mark J. Cook, Esq.
