Mr. Brule,

I am writing to express my interest in the Parks and Recreation Commision vacancy.

I have been looking for a way to give back to my town and this is a great place for me to start. I graduated here and when I retired from the U.S. Air Force, the only option for settling down was Waterford. My children were welcomed into Waterford initially through sports and youth activies, as were their mother. Through the town's programs, my wife and children grew to love this town as much as I do.

I cannot think of a better way to give back than to serve the town I love so much.

Thank you very much for your consideration,
Jim Gregg
