15. For Informal Staff Review Use Only

Sec. 7-159b – Pre-application review of use of property. Notwithstanding any other provision of the general statutes, prior to the submission of an application for use of property under chapters 124, 126, 440 and 541 or any other provision of the general statutes authorizing an authority, commission, department or agency of a municipality to issue a permit or approval for use of such property, such authority, commission, department or agency or authorized agent thereof may separately, jointly, or in any combination, conduct a pre-application review of a proposed project with the applicant at the applicant's request. Such pre-application review and any results or information obtained from it may not be appealed under any provision of the general statutes, and shall not be binding on the applicant or any authority, commission, department, agency or other official having jurisdiction to review the proposed project.

I have read and understand the above provision of the Connecticut General Statutes and understand and agree that whatever discussion, comments and/or recommendations are made through this review are non-binding upon the parties.

Further, I acknowledge and agree that this pre-application review meeting is being conducted prior to and in anticipation of a formal application to the Waterford Planning and Zoning Commission or Conservation Commission to obtain feedback and response to the proposal or design, as it exists on this date, in the interest of preparing an application consistent with the Subdivision, Zoning or Wetlands regulations of the Town of Waterford as the case may be.

Dear Gentlemen:

I am writing on behalf of the Board of Selectmen, pursuant to their vote at last week's meeting, to respectfully request the Commission conduct a review pursuant to CGS 8-24 of the Town's acquisition of real property and improvements at 439 and 441 Boston Post Road from the Oswegatchie Fire Company No. 4, Inc.

As you are likely aware, the RTM created the Oswegatchie Building Committee last year to supervise the replacement of the existing fire station. Given the substantial cost to replace the fire station it has been determined that the Town should own the property upon which this new community facility will be located.

If you require more information than Chairman Tuneski's attached letter to the Board of Selectmen please let me know and we will provide the Commission and Department additional information.

Sincerely,

Robert J. Brule

Memorandum

To: Board of Selectmen, Board of Finance, Representative Town Meeting

From: Oswegatchie Building Committee Chair Robert Tuneski on behalf of the Committee

On February 6, 2023, the Waterford Representative Town Meeting created a Building Committee for the Oswegatchie fire station to supervise interim renovations as required and plan for and manage the replacement of the fire station, as a Town-owned facility. The Building Committee has met 14 times since last May, usually twice a month, to pursue these responsibilities. In November 2023, a request for proposals (RFP) was issued by the Committee through Waterford's purchasing agent Shea Davy. Two firms responded to the RFP: Silver Petrocelli Associates (SPA) of Hamden and New London and the Galante Studio from Cambridge MA. The candidates were interviewed last week and the committee voted to select SPA, based on their extensive experience designing numerous fire stations across Connecticut of diverse size and cost as well as their proximity to Waterford and significantly lower cost than the Galante firm. A summary of the winning bidder's proposal is attached for your review prepared by the Committee's procurement consultant, retired Fairfield, Connecticut purchasing agent Twig Holland.

The award to SBA will be a commitment of \$326,675 and the Building Committee wishes to continue to use Ms. Holland's services at a cost of \$5,000. Since the town has approximately \$204,854 remaining from an earlier appropriation for the previous Fire Station Building Committee's efforts in 2018, the Building Committee is requesting an additional appropriation from the town of \$126,821 ($\$326,675 + \$5,000 - \$204,854$), subject to execution by all parties of a contract between the Town and the Oswegatchie Fire Company No. 4, Inc. to purchase 439 and 441 Boston Post Road and a lease agreement between the parties.

SPA anticipates commencing its work this March and will collaborate with the Committee to design the new building during 2024. The goal will be to commence construction in the spring of 2025 and SPA's early target completion date is the spring of 2026. On behalf of the residents and property owners who will benefit from this critical public safety and property protection initiative, the Committee appreciates careful consideration of this request by the Selectmen, Board of Finance and RTM members. We would be pleased to provide any additional information you might require.
