Hello Dave,

As we discussed on the phone this afternoon, I am unable to attend the RTM meeting on May 7th when the budget proposal for the Ethics Commission is scheduled to be heard.

The submitted budget request contains a description of the work of the Commission as well as a description of each budget line item. This budget has not changed in at least five years, perhaps longer.

Please let me know if the RTM prefers to discuss our budget the following week. I am happy to attend and answer any questions.

Thank you.
