AFFILIATE

Monday, March 16, 6:30PM - 7:30PM

The Web they Wove: Women & their Wardrobes during New England's Revolution

Underpinning the sensationalism of battle reports & broadsides is the often silent steadiness of women's work with textiles. The Dirty Blue Shirts share stories of women who waged war on multiple fronts as well as a look at what they wore as their worlds turn'd upside down. This program is presented by costumed historians and includes reproduction clothing pieces & fabric samples as well as a PowerPoint presentation with images of extant originals.

*This program is presented as part of the ongoing America 250th series.
Waterford Public Library is a proud affiliate of the America 250 | CT Commission.*
