ATTEST: 
TOWN CLERK

To: Representative Town Meeting | Town of Waterford | April 7, 2025

Re: Elimination of morning lap swim from FY26 Recreation & Parks budget

Moderator Goldstein, Majority Leader Steward-Gelinas, Minority Leader Driscoll, Clerk Campo & Members of the RTM:

While the FY26 budget from the Recreation & Parks Department is not on this evening's agenda, I wanted to take this opportunity to highlight an issue that has been working its way through various town boards & commissions over the last month: Specifically, the elimination of morning lap swim from the FY26 Parks budget in its current form, which you will vote on next month. Due to fiscal constraints morning lap swim had rather suddenly been slated for cancellation in March, however a strong contingent of patrons and life guards presented themselves at the March 5th, 2025 Board of Finance meeting to speak in support of this long-standing programming—with an offer of partnership in identifying a win-win funding scenario for the dedicated patrons and the town.

Since that BoF meeting, I have been very gratified for the engagement of the town at every level. Parks Director McNamara and his staff, in coordination with various offices in Town Hall, was able to adjust hours and staffing at the pool such that morning lap swim could continue through the end of FY25 while a longer-term solution is identified. We had a strong showing at the March 25th Recreation & Parks Commission meeting as well, which led to further productive discussions with Director McNamara and Mr. Cieplik. I attended the March 31st RTM special meeting where I learned that, whether it is through motor vehicle taxes or an increase in the mill rate, our taxes in town will go up—the national and local fiscal environment is getting tighter in the immediate term, that much is certain. Of note, ours is the only town-owned pool in eastern Connecticut that does not charge an annual or monthly membership fee to all users (open swim, lap swim, water aerobics etc), and we have enjoyed this privilege and benefit for 40 years now, since the pool was built. Happily, Town Clerk Campo, upon reviewing the town ordinances and conferring with his colleagues at the BoE, was able to determine that there is no prohibition on charging pool patrons for access, which provides a potential path forward for all involved.

Kyne | RTM | April 7, 2025

MEMORANDUM

Over the next several weeks, this group of taxpayers will work with the Parks Department to identify a FY26 funding proposal to keep morning lap swim going which will include a user fee. This will allow all patrons of the pool to chip in and ensure we are getting the most out of our beautiful aquatic facility, while minimizing the burden on the taxpayers at large. The Town and patrons are extremely fortunate to have dedicated lifeguards who show up well before dawn five days a week in support of this programming—there would be no morning swim without them. As this updated cost structure and funding proposal is not in the budget as approved by the Board of Finance for your review next month, the Parks Department will need to bring a special funding request forward to the Board of Selectmen and Board of Finance. Should we be successful at those levels, and the funding request to keep morning lap swim afloat comes before this RTM, my hope is that you will vote in favor of what our industrious morning lap swim patrons consider to be a vital town offering.

I wanted to bring this to your attention this evening so that, over the next month leading up to the departmental budget reviews and approvals by the RTM, should you have any questions or concerns, we could discuss them in advance. It has thus far been an outstanding experience working with the town on this issue, I hope to see a funding request come before you for consideration prior to July 1st to keep us in the pool without interruption. Most mornings during the week, you can find me at the pool from 5:15-6:15 AM. Otherwise, feel free to reach out to me at my email or phone listed at the top of this memo. Included in this packet for your review and consideration are the minutes from the BoF meeting held on March 5th, as well as the memo I presented to the Recreation & Parks Commission on March 25th. Thank you for your time this evening.

Best Regards,

Moderator of RTM

c/o David Campo, Town Clerk

Waterford Little League (WLL) has maintained two complexes, our main complex on Gardiners Wood Rd (South) and a second complex adjacent to Quaker Hill Elementary School (North), for the past several decades. In total, our league volunteers maintain seven fields, as well as concession stands, press boxes, dugouts, bathrooms and numerous other structures all while paying for all utilities associated with both complexes.

WLL simply does not have enough volunteers, funding or resources to continue to maintain both complexes. We have explored many options including town assistance and outsourcing all maintenance at our North complex, both of which are not feasible.

The Town of Waterford Park and Rec Department currently makes fields at the North complex available for rent for a fee to teams/groups outside of WLL. The WLL board respectfully requests that the RTM explore a special revenue fund in which money generated by rental income for use of North fields be made available to WLL to offset the cost of maintaining the complex.

Sincerely,

Brianna Hogarty

Subject: Tax Payment Schedule for Fiscal Year 2025 – 2026
For the RTM meeting agenda of May 14, 2025

I have the following recommendations for the schedule of tax payments for Fiscal Year 2025– 2026:

- Retain the two-payment system for Real Estate tax bills, providing for collections in July and January.
- Real Estate tax bills over \$100.00 would be collected in two equal installments, due July 1, 2025, and January 1, 2026.
- Real Estate tax bills of \$100.00 or less would be due in full July 1, 2025.
- Personal Property and Motor Vehicle tax bills would be due in full July 1, 2025.
- **Motor Vehicle Supplemental tax bills will now be created twice per fiscal year. Vehicles registered between October 2, 2024 and March 31, 2025 will be billed in July 2025. Vehicles registered between April 1, 2025 and September 30, 2025 will be billed in January 2026.**

This collection schedule is recommended in order to keep the Town in compliance with Connecticut General Statutes 12-142, 12-144, and 12-144a.

Sec. 12-142. Installments; due date. The legislative body of each municipality, upon approving any budget calling for the laying of a tax on property, shall determine whether such tax shall be due and payable in a single installment or in two semiannual installments or in four quarterly installments and shall, unless otherwise provided by law, designate the date or dates on which such installment or installments shall be due and payable, subject to the provisions of section 7-383, in any municipality in compliance with requirements concerning the uniform fiscal year under chapter 110; provided the last installment of any such tax shall be due and payable not later than forty-five days before the end of the fiscal year in which the first installment thereof is due and payable, and provided any special tax shall be due and payable in a single installment. In case of failure of the legislative body to determine when such tax shall be due and payable or whenever the date on which such tax shall be due and payable has been determined, however, (1) the preparation and mailing of rate bills for such tax is delayed until after the date such tax is due or (2) such tax is not applicable to certain property until after the date such tax is due, such tax shall be due and payable, with respect to all property or property which becomes subject to tax after the date such tax is due, whichever is applicable, not later than thirty days following the date on which rate bills for such tax are mailed or handed to persons liable therefor. Except as otherwise provided by law, the several installments of a tax due in two or four installments shall be equal, but any taxpayer may pay two or more of such installments when the first is due.

Sec. 12-144. Payment of taxes of not more than one hundred dollars. Any property tax due in any municipality of this state in an amount not in excess of one hundred dollars shall be due and payable in a single payment when so determined by the appropriating body of such municipality.

Sec. 12-144a. Payment of tax on motor vehicles. Irrespective of the provisions of sections 12-142 and 12-144, the appropriating body of each municipality, upon approving any budget calling for the laying of a tax on property, shall determine whether such tax as it applies to motor vehicles shall be due and payable in a single installment.
