RECEIVED FOR RECORD
TOWN OF WATERFORD, CT

May 1, 2021

Dear Mr. Dembeck and RTM Members,

Please approve the funds for saving the Nevins Cottage. The building represents the history of our town and it should be preserved. The house was part of the huge Shaw Farm that once covered the area from the high school over to the Rope Ferry condos and across to Boston Post Rd. It holds stories that are tied to the American Revolution, the Civil War, as well as one of America's foremost composers, Edward MacDowell. Let's not let it fall down or tear it down; let's hold it up as something that the town can be proud of.

Respectfully Submitted,

Karen Menzies
