Good Evening,

I watched the RTM meeting on 5/11 and as a parent of a Waterford High School student, I think the vote was premature. A \$470,000.00 cut without a plan is absurd. The RTM members needed more time to educate themselves before voting on such a big cut. It seemed there were some members that abstained from voting that could have and some that should have abstained. I also found Danielle Steward Gelinas's singling out the position of Coaching to be odd, without merit and perhaps discriminatory.

I understand these are trying times for the town, but we are bleeding before we are cut.

Regards,
EJ McCue
