Vote: Unanimous

Motion passed.

Agenda Item 5- Consideration of and possible action on items referred to committee:

A.) Review of Ordinance 2.36 Volunteer Firefighter Incentive Program 6/6/22

Chairperson Condon gave a brief overview of the last meeting and turned the floor over to the Director for comments. Director Howley presented the committee his latest and updated proposed changes to the incentive program. Questions posed to the attorneys present if the program was compliant to labor laws, both attorneys stated that they would review the changes and get back to the committee. Committee inquired if the volunteers were shown these proposed changes. Director Howley indicated that he had shown the changes to the volunteer Chiefs and that they had proposed some of the updated changes contained in the proposed document. Member Dembek had indicated that these proposed changes were being discussed in some of the fire house company meetings. Discussion then focused on if an ordinance change was needed to enact the Directors proposed changes. The attorneys again stated that they would review this and get back with the committee. Committee agreed that we would give the attorneys a chance to review the proposal and work with the Director to clarify the proposal and return to the committee with a recommendation. No motions made-

Motion to adjourn at 7:12 P.M. by Driscoll, second by Fioravanti.

Vote: Unanimous

Respectfully submitted,
Timothy Condon
